

## Project Overview

As of April 29, 2010

## Hilliard-Rome Road – Westchester Woods Boulevard to Roberts Road

**Description and Benefits:** Project consists of widening and reconstruction of Hilliard-Rome Road from Westchester Wood Blvd. to south of Roberts Road. Project length is approximately 1.19 miles, and includes adding three lanes, sidewalks, bike lane, *Americans with Disabilities Act*-compliant curb ramps, tree lawn and utility relocation. The project will provide a safer pedestrian, vehicular and bicycle corridor. Traffic in each direction will be maintained at all times during construction.

**Schedule:** Anticipated completion: Utility relocation, summer 2010; construction bidding, autumn 2010. Construction starts spring 2011.

**Status:** Final design plans in progress.

**Costs:**

Design, right-of-way acquisition and utility relocation	\$ 5,900,000
Construction	10,500,000
